

Swallow Your Pride Dungeon Guidelines

Welcome to a space where you can play on the edge and feast on sexiness!
Please follow these guidelines.

1. We subscribe to the **Risk-Aware Consensual Kink** (RACK) guidelines of play:
 - **Risk-Aware:** You and your partner are aware of the activity's possible risk.
 - **Consensual:** You and your partner both agree to engage in the activity.
 - **Kink:** The activity may be considered edgy, high risk, or non-mainstream.

(Please give a Dungeon Facilitator a heads up before doing anything super edgy.)

2. This is a scent reduced space. Please do not use or wear any scented products to keep it accessible to everyone.
3. Tuck your phones, cameras and recording devices away while inside the venue.
4. Types of play not permitted: fire, candle or wax play, scat.
5. Want to ask someone to play? Be respectful. Not interested in an offer to play? Say no thanks. Be respectful.
6. Voyeurism is hot, but don't crowd the action. Join a scene only if asked.
7. Please keep scenes using equipment to 90 minutes, so everyone has time to play.
8. Ask a Dungeon Facilitator to help move equipment or furniture before doing it.
9. Use a soaker pad or plastic tablecloth on the equipment/floor if you plan on getting messy. They are provided at the supplies tables with safe sex supplies.
10. Please wipe down the equipment with the cleaners provided after using it, put sharps in sharps containers, garbage in garbage, and kindly bundle your rope in the aftercare space – not on the dungeon floor.
